

**Temple University's mask policy** will be in place and details can be found at <https://www.temple.edu/coronavirus>.

## What types of masks can I wear on campus?

Masking is a critical public health tool for preventing spread of COVID-19. Temple students and employees can use this graphic for guidance on the three options for how to mask while on campus.

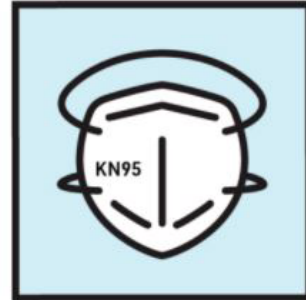

### **GOOD**

A surgical mask with multiple layers of nonwoven material

### **BETTER**

A surgical mask with a cloth mask over it

### **BEST**

A KN95 mask
