

GEORGE WASHINGTON

CARVER SCIENCE FAIR

Providing opportunities for students to gain enriched learning experiences through scientific inquiry & discovery

Temple University
George Washington Carver Science Fair
Academic Tuition Scholarship Program
2017 – 2021

Temple University awards two scholarships to George Washington Carver Science Fair winners from 11th Grade. These winners must graduate from high school in the top 25 percent of their class with a 3.0 GPA or better and their SAT Critical Reading and Math Scores are 1000 or higher. The scholarships are for \$3,000 and renewable for a total of four years, contingent on students maintaining a 3.0 cumulative GPA in full time study. During 2016, First and Second Place 11th Grade Winners in the George Washington Carver Science Fair are eligible to apply. Two qualified students will be selected to enter Temple University – September 2017.
